

REGISTERED TRANSPORTER APPLICATION AND RENEWAL

Construction and Demolition (C&D) Debris Recovery Program

RecycleSmart (Central Contra Costa Solid Waste Authority)

Ordinance No. 12-2

APPLICATION TYPE: **NEW APPLICATION** **RENEWAL** Expiration Date _____
Current Registration No. _____

This application must be completed if applicant will transport source-separated or mixed Construction and Demolition (C&D) Debris within and/or out of the RecycleSmart service area: *City of Orinda, Town of Moraga, City of Lafayette, City of Walnut Creek, Town of Danville and surrounding Unincorporated County areas including, Alamo, Blackhawk and Diablo* (see definition of C&D Debris on Page 4 of this application).

By submitting this application, the applicant agrees (*applies only to C&D Debris from RecycleSmart service area*):

- **To transport source-separated or mixed C&D Debris to a RecycleSmart Certified C&D Processing Facility**
- **To submit quarterly hauling reports 30 days after the close of each quarter**
- **To properly label all collection containers: including business name, phone number and acceptable materials that may be placed in the container. A \$50.00 fine may be imposed if containers are not properly labeled within seven (7) days of notification**
- To renew registration annually
- That the contact information, particularly the email address provided, will be used by RecycleSmart to communicate updates and information about the C&D programs and registration responsibilities; email address will be kept confidential
- To notify RecycleSmart in writing if any of the information in the original application on file with RecycleSmart changes in any material respect, and to file a new application if required
- To provide project and building permit number(s) identifying the source of the C&D Debris for each load delivered for reporting on jurisdiction Waste Management Plans (WMP) *and* make available to RecycleSmart upon request
- That the vehicle(s) and each operator has all necessary permits, authorizations or licenses required by any local State or Federal agency and all necessary insurance to operate the vehicle(s)
- That each operator has no outstanding notices of violation from any Federal, State or local agency that could affect permits, authorizations or licenses required for continued operation
- That the vehicle(s) owner is responsible for compliance by any operator(s) of any vehicle(s) covered by this application
- That violation of any conditions may lead to suspension of registration, imposition of additional conditions, or revocation of the registration. Violation of Ordinance No. 12-2 may lead to denial of future registration, civil action for damages, injunctive relief, and/or prosecution as a misdemeanor

Definition of Construction & Demolition (C&D) Debris

“Construction and Demolition Debris” shall mean solid wastes, such as building materials, packaging and inerts resulting from construction, remodeling, repair and demolition operations on pavement, houses, commercial buildings, and other structures, which are suitable for reuse or processing at a recycling facility.

Building materials and solid wastes generated from construction and demolition activities, include, but are not limited to, fully-cured asphalt, concrete, brick, rock, soil, lumbar, gypsum wallboard, cardboard and other associated packaging, roofing material, ceramic tile, carpeting, fixtures, plastic pipe, metals, tree stumps and other vegetative matter resulting from land clearing and landscaping for construction, deconstruction or land developments.

Application Process

Submit complete and signed application *with all attachments* and **\$370.00 registration fee** to RecycleSmart:

RecycleSmart
Attn: C&D Transporter Registration
1850 Mt. Diablo Blvd., Suite 320
Walnut Creek CA 94596

If approved, you will receive your permit within 5-7 business days via email.

I DECLARE UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF CALIFORNIA THAT THE FOREGOING IS TRUE AND CORRECT.
