

FOOD RECYCLING PROJECT

PROUD PARTICIPANT

WasteDiversion.org/FoodWasteRecycling

Just by dining here, you are participating in the Food Recycling Project.

The first program of its kind, the Food Recycling Project converts our food waste into clean and renewable bio-fuel. By simply dining and shopping at participating Central Contra Costa restaurants and businesses, you're helping to protect our environment.

THANK YOU!

For more program information or to see the complete list of participating businesses, please visit WasteDiversion.org/FoodWasteRecycling.

CENTRAL CONTRA COSTA
SOLID WASTE AUTHORITY

The logo for the Central Contra Costa Solid Waste Authority consists of a dark blue triangle containing three white arrows that form a circular, clockwise recycling loop. Below the triangle, the text 'CENTRAL CONTRA COSTA' and 'SOLID WASTE AUTHORITY' is displayed in a dark blue, sans-serif font.
